BREWERY INVITATION
FOR GREAT, PET-LOVING BREWERIES!

You're invited to participate in the 8th Annual Pints for Paws benefit for Berkeley Humane.

An annual West Berkeley tradition, this beer-tasting and dog-appreciating event has become a staple of the community since 2014, when we first invited our friends and neighbors to the inaugural Pints for Paws. 1,000 people (and dogs) will come together for sample tastings from the best regional breweries.

While many charity-benefiting festivals donate only a small fraction of proceeds to nonprofits, 100% of proceeds from Pints for Paws goes directly to Berkeley Humane's lifesaving programs: adoption, medical care for shelter animals, and safety net programs to keep pets and families together.

Thank you for saving the lives of dogs and cats with us!

BEER QUANTITY & DETAILS

Please plan to bring 2 half-barrel kegs or the equivalent (approximately 30 gallons of beer). This is a donation to Berkeley Humane.

We encourage you to bring something special—be it a collaboration brew, a new release, or a one-day pour to make the day really special! Breweries bringing a special pour for the VIP hour will receive additional shout-outs on social media and to the email list.

PARKING

There is no dedicated parking lot. There is street parking, however it becomes limited, especially later in the day. Please plan accordingly.

COVID PROTOCOLS

We are committed to hosting a safe event and will follow all state and local COVID-19 protocols. We will limit the number of participants and require proof of full vaccination as defined by the CDC.

SPONSORSHIP

In addition to participating as a brewer, sponsorships are available in amounts of \$1,500-25,000. Sponsorships come with additional visibility for your brand, and you'll make an even greater impact in saving lives!
